A BILL FOR AN ACT

Relating to an interstate dental professionals compact; creating new provisions; amending ORS 676.177, 679.025, 679.260 and 680.020; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. The provisions of the Dentist and Dental Hygienist Compact are as follows:

DENTIST AND DENTAL HYGIENIST COMPACT

SECTION 1. TITLE AND PURPOSE

This statute shall be known and cited as the Dentist and Dental Hygienist Compact. The purposes of this Compact are to facilitate the interstate practice of dentistry and dental hygiene and improve public access to dentistry and dental hygiene services by providing dentists and dental hygienists licensed in a participating state the ability to practice in participating states in which they are not licensed. This Compact does this by establishing a pathway for dentists and dental hygienists licensed in a participating state to obtain a Compact privilege that authorizes them to practice in another participating state in which they are not licensed. This Compact enables participating states to protect the public health and safety with respect to the practice of such dentists and dental hygienists, through the state's authority to regulate the practice of dentistry and dental hygiene in the state. This Compact:

A. Enables dentists and dental hygienists who qualify for a Compact privilege to practice in other participating states without satisfying burdensome and duplicative requirements associated with securing a license to practice in those states;

B. Promotes mobility and addresses workforce shortages through each participating state's acceptance of a Compact privilege to practice in that state;

C. Increases public access to qualified, licensed dentists and dental hygienists by creating a responsible, streamlined pathway for licensees to practice in participating states;

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 **D. Enhances the ability of participating states to protect the public's health and safety;**

2 **E. Does not interfere with licensure requirements established by a participating state;**

3 **F. Facilitates the sharing of licensure and disciplinary information among participating**
4 **states;**

7 **H. Extends the authority of a participating state to regulate the practice of dentistry and**
8 **dental hygiene within its borders to dentists and dental hygienists who practice in the state**
9 **through a Compact privilege;**

10 **I. Promotes the cooperation of participating states in regulating the practice of dentistry**

13 **practice dentistry or dental hygiene.**

SECTION 3. STATE PARTICIPATION IN THE COMPACT

A. In order to join this Compact and thereafter continue as a participating state, a state must:

1. Enact a version of this Compact that is not materially different from the model compact as determined in accordance with Commission rules;

2. Participate fully in the Commission's data system;

3. Have a mechanism in place for receiving and investigating complaints about its licensees and license applicants;

4. Notify the Commission, in compliance with the terms of this Compact and Commission rules, of any adverse action or the availability of significant investigative information regarding a licensee and license applicant;

5. Fully implement a criminal background check requirement, within a time frame established by Commission rule, by receiving the results of a qualifying criminal background check;

6. Comply with the Commission rules applicable to a participating state;

7. Accept the national board examinations of the Joint Commission on National Dental Examinations, or its successor organization, or another examination accepted by Commission rule as a licensure examination;

8. Accept for licensure that applicants for a dentist license graduate from a predoctoral dental education program accredited by the Commission on Dental Accreditation, or its successor organization, or another accrediting agency recognized by the United States Department of Education for the accreditation of dentistry and dental hygiene education programs, leading to the Doctor of Dental Surgery (D.D.S.) or Doctor of Dental Medicine (D.M.D.) degree;

9. Accept for licensure that applicants for a dental hygienist license graduate from a dental hygiene education program accredited by the Commission on Dental Accreditation, or its successor organization, or another accrediting agency recognized by the United States Department of Education for the accreditation of dentistry and dental hygiene education programs;

10. Require for licensure that applicants successfully complete a clinical assessment;

11. Have continuing professional development requirements as a condition for license renewal; and

12. Pay a participation fee to the Dentist and Dental Hygienist Compact Commission as established by Commission rule.

B. Providing alternative pathways for an individual to obtain an unrestricted license does not disqualify a state from participating in this Compact.

C. When conducting a criminal background check the state licensing authority shall:

1. Consider that information in making a licensure decision;

2. Maintain documentation of completion of the criminal background check and background check information to the extent allowed by state and federal law; and

3. Report to the Commission whether it has completed the criminal background check and whether the individual was granted or denied a license.

D. A licensee of a participating state who has a qualifying license in that state and does not hold an encumbered license in any other participating state shall be issued a Compact

1 privilege in a remote state in accordance with the terms of this Compact and Commission
2 rules. If a remote state has a jurisprudence requirement, a Compact privilege will not be is-
3 sued to the licensee unless the licensee has satisfied the jurisprudence requirement.

4 SECTION 4. COMPACT PRIVILEGE

5 A. To obtain and exercise the Compact privilege under the terms and provisions of this
6 Compact, the licensee shall:

7 1. Have a qualifying license as a dentist or dental hygienist in a participating state;
8 2. Be eligible for a Compact privilege in any remote state in accordance with subsections
9 D, G and H of this section;

10 3. Submit to an application process whenever the licensee is seeking a Compact privilege;

11 4. Pay any applicable Commission and remote state fees for a Compact privilege in the
12 remote state;

13 5. Meet any jurisprudence requirement established by a remote state in which the
14 licensee is seeking a Compact privilege;

17 sion rule;

19 by the Commission on Dental Accreditation, or its successor organization, or another ac-
20 crediting agency recognized by the United States Department of Education for the accredi-
21 tation of dentistry and dental hygiene education programs, leading to the Doctor of Dental
22 Surgery (D.D.S.) or Doctor of Dental Medicine (D.M.D.) degree;

23 8. For a dental hygienist, have graduated from a dental hygiene education program ac-
24 credited by the Commission on Dental Accreditation, or its successor organization, or an-
25 other accrediting agency recognized by the United States Department of Education for the
26 accreditation of dentistry and dental hygiene education programs;

27 9. Have successfully completed a clinical assessment for licensure;

30 from the date the adverse action is taken;

32 licensee's primary residence and thereafter immediately report to the Commission any
33 change in the address of the licensee's primary residence; and

35 record with the Commission with respect to any action brought against the licensee by the
36 Commission or a participating state, and consent to accept service of a subpoena by mail at
37 the licensee's primary residence on record with the Commission with respect to any action
38 brought or investigation conducted by the Commission or a participating state.

39 B. The licensee must comply with the requirements of subsection A of this section to
40 maintain the Compact privilege in the remote state. If those requirements are met, the
41 Compact privilege will continue as long as the licensee maintains a qualifying license in the
42 state through which the licensee applied for the Compact privilege and pays any applicable
43 Compact privilege renewal fees.

44 C. A licensee providing dentistry or dental hygiene in a remote state under the Compact
45 privilege shall function within the scope of practice authorized by the remote state for a

dentist or dental hygienist licensed in that state.

D. A licensee providing dentistry or dental hygiene pursuant to a Compact privilege in a remote state is subject to that state's regulatory authority. A remote state may, in accordance with due process and that state's laws, by adverse action revoke or remove a licensee's Compact privilege in the remote state for a specific period of time and impose fines or take any other necessary actions to protect the health and safety of its citizens. If a remote state imposes an adverse action against a Compact privilege that limits the Compact privilege, that adverse action applies to all Compact privileges in all remote states. A licensee whose Compact privilege in a remote state is removed for a specified period of time is not eligible for a Compact privilege in any other remote state until the specific time for removal of the Compact privilege has passed and all encumbrance requirements are satisfied.

E. If a license issued by a participating state is an encumbered license, the licensee shall lose the Compact privilege in a remote state and shall not be eligible for a Compact privilege in any remote state until the license is no longer encumbered.

F. Once an encumbered license in a participating state is restored to good standing, the licensee must meet the requirements of subsection A of this section to obtain a Compact privilege in a remote state.

G. If a licensee's Compact privilege in a remote state is removed by the remote state, the individual shall lose or be ineligible for the Compact privilege in any remote state until the following occur:

1. The specific period of time for which the Compact privilege was removed has ended; and

2. All conditions for removal of the Compact privilege have been satisfied.

H. Once the requirements of subsection G of this section have been met, the licensee must meet the requirements in subsection A of this section to obtain a Compact privilege in a remote state.

SECTION 5. ACTIVE MILITARY MEMBERS OR THEIR SPOUSES

An active military member and their spouse shall not be required to pay to the Commission for a Compact privilege the fee otherwise charged by the Commission. If a remote state chooses to charge a fee for a Compact privilege, it may choose to charge a reduced fee or no fee to an active military member and their spouse for a Compact privilege.

SECTION 6. ADVERSE ACTIONS

A. A participating state in which a licensee is licensed shall have exclusive authority to impose adverse action against the qualifying license issued by that participating state.

B. A participating state may take adverse action based on the significant investigative information of a remote state, so long as the participating state follows its own procedures for imposing adverse action.

C. Nothing in this Compact shall override a participating state's decision that participation in an alternative program may be used in lieu of adverse action and that such participation shall remain nonpublic if required by the participating state's laws. Participating states must require licensees who enter any alternative program in lieu of discipline to agree not to practice pursuant to a Compact privilege in any other participating state during the term of the alternative program without prior authorization from such other participating state.

D. Any participating state in which a licensee is applying to practice or is practicing

1 pursuant to a Compact privilege may investigate actual or alleged violations of the statutes
 2 and regulations authorizing the practice of dentistry or dental hygiene in any other partic-
 3 ipating state in which the dentist or dental hygienist holds a license or Compact privilege.

4 **E. A remote state shall have the authority to:**

5 1. Take adverse actions as set forth in Section 4.D of this Compact against a licensee's
 6 Compact privilege in the state;

7 2. In furtherance of its rights and responsibilities under the Compact and the
 8 Commission's rules, issue subpoenas for both hearings and investigations that require the
 9 attendance and testimony of witnesses and the production of evidence. Subpoenas issued by
 10 a state licensing authority in a participating state for the attendance and testimony of wit-
 11 nesses, or the production of evidence from another participating state, shall be enforced in
 12 the latter state by any court of competent jurisdiction according to the practice and proce-
 13 dure of that court applicable to subpoenas issued in proceedings pending before it. The issu-
 14 ing authority shall pay any witness fees, travel expenses, mileage and other fees required by
 15 the service statutes of the state where the witnesses or evidence are located; and

16 3. If otherwise permitted by state law, recover from the licensee the costs of investi-
 17 gations and disposition of cases resulting from any adverse action taken against that
 18 licensee.

19 **F. Joint Investigations**

20 1. In addition to the authority granted to a participating state by its dentist or dental
 21 hygienist licensure act or other applicable state law, a participating state may jointly inves-
 22 tigate licensees with other participating states.

23 2. Participating states shall share any significant investigative information, litigation or
 24 compliance materials in furtherance of any joint or individual investigation initiated under
 25 this Compact.

26 **G. Authority to Continue Investigation**

27 1. After a licensee's Compact privilege in a remote state is terminated, the remote state
 28 may continue an investigation of the licensee that began when the licensee had a Compact
 29 privilege in that remote state.

30 2. If the investigation yields what would be significant investigative information had the
 31 licensee continued to have a Compact privilege in that remote state, the remote state shall
 32 report the presence of such information to the data system as required by section 8.B.6 of
 33 this Compact as if it were significant investigative information.

34 **SECTION 7. ESTABLISHMENT AND OPERATION OF THE COMMISSION**

35 **A.** The Compact participating states hereby create and establish a joint government
 36 agency whose membership consists of all participating states that have enacted this Com-
 37 pact. The Commission is an instrumentality of the participating states acting jointly and not
 38 an instrumentality of any one state. The Commission shall come into existence on or after
 39 the effective date of this Compact as set forth in Section 11.A of this Compact.

40 **B. Participation, Voting and Meetings**

41 1. Each participating state shall have and be limited to one commissioner selected by that
 42 participating state's state licensing authority or, if the state has more than one state li-
 43 censing authority, selected collectively by the state licensing authorities.

44 2. The commissioner shall be a member or designee of such authority or authorities.

45 3. The Commission may by rule or bylaw establish a term of office for commissioners and

1 may by rule or bylaw establish term limits.

2 4. The Commission may recommend to a state licensing authority or authorities, as ap-
3 plicable, removal or suspension of an individual as the state's commissioner.

4 5. A participating state's state licensing authority or authorities, as applicable, shall fill
5 any vacancy of its commissioner on the Commission within 60 days of the vacancy.

17 Commission's rules and the bylaws;

19 provided that the standing of any state licensing authority to sue or be sued under applicable
20 law shall not be affected;

23 Commission's behalf;

25 9. Borrow, accept or contract for services of personnel, including, but not limited to,
26 employees of a participating state;

27 10. Conduct an annual financial review;

28 11. Hire employees, elect or appoint officers, fix compensation, define duties, grant such
29 individuals appropriate authority to carry out the purposes of this Compact and establish the
30 Commission's personnel policies and programs relating to conflicts of interest, qualifications
31 of personnel and other related personnel matters;

32 12. As set forth in the Commission rules, charge a fee to a licensee for the grant of a
33 Compact privilege in a remote state and thereafter, as may be established by Commission
34 rule, charge the licensee a Compact privilege renewal fee for each renewal period in which
35 that licensee exercises or intends to exercise the Compact privilege in that remote state.
36 Nothing herein shall be construed to prevent a remote state from charging a licensee a fee
37 for a Compact privilege or renewals of a Compact privilege, or a fee for the jurisprudence
38 requirement if the remote state imposes such a requirement for the grant of a Compact
39 privilege;

40 13. Accept any and all appropriate gifts, donations, grants of money, other sources of

20 **i. Other duties as provided in the rules or bylaws of the Commission.**

21 **2. The executive board shall be composed of up to seven members:**

22 **a. The chair, vice chair, secretary and treasurer of the Commission and any other**
 23 **members of the Commission who serve on the executive board shall be voting members of**
 24 **the executive board; and**

25 **b. Other than the chair, vice chair, secretary and treasurer, the Commission may elect**
 26 **up to three voting members from the current membership of the Commission.**

27 **3. The Commission may remove any member of the executive board as provided in the**
 28 **Commission's bylaws.**

29 **4. The executive board shall meet at least annually.**

30 **a. An executive board meeting at which it takes or intends to take formal action on a**
 31 **matter shall be open to the public, except that the executive board may meet in a closed,**
 32 **nonpublic session of a public meeting when dealing with any of the matters covered under**
 33 **subsection D.4 of this section.**

40 **b. Prevent a loss of Commission or participating state funds; or**

41 **c. Protect public health and safety.**

42 **G. Qualified Immunity, Defense and Indemnification**

43 **1. The members, officers, executive director, employees and representatives of the Com-**
 44 **mission shall be immune from suit and liability, both personally and in their official capacity,**
 45 **for any claim for damage to or loss of property or personal injury or other civil liability**

1 caused by or arising out of any actual or alleged act, error or omission that occurred, or that
 2 the person against whom the claim is made had a reasonable basis for believing occurred
 3 within the scope of Commission employment, duties or responsibilities, provided that nothing
 4 in this paragraph shall be construed to protect any such person from suit or liability for any
 5 damage, loss, injury or liability caused by the intentional, willful or wanton misconduct of
 6 that person. The procurement of insurance of any type by the Commission shall not in any
 7 way compromise or limit the immunity granted hereunder.

8 2. The Commission shall defend any member, officer, executive director, employee and
 9 representative of the Commission in any civil action seeking to impose liability arising out
 10 of any actual or alleged act, error or omission that occurred within the scope of Commission
 11 employment, duties or responsibilities, or as determined by the Commission that the person
 12 against whom the claim is made had a reasonable basis for believing occurred within the
 13 scope of Commission employment, duties or responsibilities, provided that nothing herein
 14 shall be construed to prohibit that person from retaining their own counsel at their own
 15 expense and provided further that the actual or alleged act, error or omission did not result
 16 from that person's intentional, willful or wanton misconduct.

17 3. Notwithstanding subsection G.1 of this section, should any member, officer, executive
 18 director, employee or representative of the Commission be held liable for the amount of any
 19 settlement or judgment arising out of any actual or alleged act, error or omission that oc-
 20 curred within the scope of that individual's employment, duties or responsibilities for the
 21 Commission, or that the person to whom that individual is liable had a reasonable basis for
 22 believing occurred within the scope of the individual's employment, duties or responsibilities
 23 for the Commission, the Commission shall indemnify and hold harmless such individual,
 24 provided that the actual or alleged act, error or omission did not result from the intentional,
 25 willful or wanton misconduct of the individual.

26 4. Nothing herein shall be construed as a limitation on the liability of any licensee for
 27 professional malpractice or misconduct, which shall be governed solely by any other appli-
 28 cable state laws.

29 5. Nothing in this Compact shall be interpreted to waive or otherwise abrogate a partic-
 30 ipating state's state action immunity or state action affirmative defense with respect to
 31 antitrust claims under the Sherman Act, Clayton Act or any other state or federal antitrust
 32 or anticompetitive law or regulation.

33 6. Nothing in this Compact shall be construed to be a waiver of sovereign immunity by
 34 the participating states or by the Commission.

35 SECTION 8. DATA SYSTEM

36 A. The Commission shall provide for the development, maintenance, operation and utili-
 37 zation of a coordinated database and reporting system containing licensure, adverse action
 38 and the presence of significant investigative information on all licensees and applicants for
 39 a license in participating states.

40 B. Notwithstanding any other provision of state law to the contrary, a participating state
 41 shall submit a uniform data set to the data system on all individuals to whom this Compact
 42 is applicable as required by the rules of the Commission, including:

43 1. Identifying information;

44 2. Licensure data;

45 3. Adverse actions against a licensee, license applicant or Compact privilege and infor-

1 **mation related thereto;**

2 **4. Nonconfidential information related to alternative program participation, the beginning**
3 **and ending dates of such participation and other information related to such participation;**

4 **5. Any denial of an application for licensure and the reason for such denial (excluding the**
5 **reporting of any criminal history record information where prohibited by law);**

6 **6. The presence of significant investigative information; and**

7 **7. Other information that may facilitate the administration of this Compact or the pro-**
8 **tection of the public, as determined by the rules of the Commission.**

9 **C. The records and information provided to a participating state pursuant to this Com-**
10 **compact or through the data system, when certified by the Commission or an agent thereof, shall**
11 **constitute the authenticated business records of the Commission, and shall be entitled to any**
12 **associated hearsay exception in any relevant judicial, quasi-judicial or administrative pro-**
13 **ceedings in a participating state.**

14 **D. Significant investigative information pertaining to a licensee in any participating state**
15 **will only be available to other participating states.**

16 **E. It is the responsibility of the participating states to monitor the database to determine**
17 **whether adverse action has been taken against a licensee or license applicant. Adverse action**
18 **information pertaining to a licensee or license applicant in any participating state will be**
19 **available to any other participating state.**

20 **F. Participating states contributing information to the data system may designate infor-**
21 **mation that may not be shared with the public without the express permission of the con-**
22 **tributing state.**

23 **G. Any information submitted to the data system that is subsequently expunged pursuant**
24 **to federal law or the laws of the participating state contributing the information shall be**
25 **removed from the data system.**

26 **SECTION 9. RULEMAKING**

27 **A. The Commission shall promulgate reasonable rules in order to effectively and effi-**
28 **ciently implement and administer the purposes and provisions of this Compact. A Commis-**
29 **sion rule shall be invalid and have no force or effect only if a court of competent jurisdiction**
30 **holds that the rule is invalid because the Commission exercised its rulemaking authority in**
31 **a manner that is beyond the scope and purposes of this Compact or the powers granted**
32 **hereunder or based upon another applicable standard of review.**

33 **B.1. The rules of the Commission shall have the force of law in each participating state,**
34 **provided however that where the rules of the Commission conflict with the laws of the par-**
35 **ticipating state that establish the participating state's scope of practice as held by a court**
36 **of competent jurisdiction, the rules of the Commission shall be ineffective in that state to**
37 **the extent of the conflict.**

38 **2. Notwithstanding subsection B.1 of this section, the Oregon Board of Dentistry shall**
39 **review the rules of the Commission. The board may approve and adopt the rules of the**
40 **Commission as rules of the board. The State of Oregon is subject to a rule of the Commission**
41 **only if the rule of the Commission is adopted by the board.**

42 **C. The Commission shall exercise its rulemaking powers pursuant to the criteria set**
43 **forth in this section and the rules adopted thereunder. Rules shall become binding as of the**
44 **date specified by the Commission for each rule.**

45 **D. If a majority of the legislatures of the participating states rejects a Commission rule**

1 or portion of a Commission rule, by enactment of a statute or resolution in the same manner
2 used to adopt the Compact, within four years of the date of adoption of the rule, then such
3 rule shall have no further force and effect in any participating state or to any state applying
4 to participate in this Compact.

5 E. Rules shall be adopted at a regular or special meeting of the Commission.

6 F. Prior to adoption of a proposed rule, the Commission shall hold a public hearing and
7 allow persons to provide oral and written comments, data, facts, opinions and arguments.

8 G. Prior to adoption of a proposed rule by the Commission, and at least 30 days in ad-
9 vance of the meeting at which the Commission will hold a public hearing on the proposed
10 rule, the Commission shall provide a notice of proposed rulemaking:

11 1. On the website of the Commission or other publicly accessible platform;

12 2. To persons who have requested notice of the Commission's notices of proposed
13 rulemaking; and

14 3. In such other ways as the Commission may by rule specify.

15 H. The notice of proposed rulemaking shall include:

16 1. The time, date and location of the public hearing at which the Commission will hear
17 public comments on the proposed rule and, if different, the time, date and location of the
18 meeting where the Commission will consider and vote on the proposed rule;

19 2. If the hearing is held via telecommunication, video conference or other electronic
20 means, the Commission shall include the mechanism for access to the hearing in the notice
21 of proposed rulemaking;

22 3. The text of the proposed rule and the reason therefor;

23 4. A request for comments on the proposed rule from any interested person; and

24 5. The manner in which interested persons may submit written comments.

25 I. All hearings will be recorded. A copy of the recording and all written comments and
26 documents received by the Commission in response to the proposed rule shall be available
27 to the public.

28 J. Nothing in this section shall be construed as requiring a separate hearing on each
29 Commission rule. Rules may be grouped for the convenience of the Commission at hearings
30 required by this section.

31 K. The Commission shall, by majority vote of all Commissioners, take final action on the
32 proposed rule based on the rulemaking record.

33 1. The Commission may adopt changes to the proposed rule provided the changes do not
34 enlarge the original purpose of the proposed rule.

35 2. The Commission shall provide an explanation of the reasons for substantive changes
36 made to the proposed rule as well as reasons for substantive changes not made that were
37 recommended by commenters.

38 3. The Commission shall determine a reasonable effective date for the rule. Except for
39 an emergency as provided in subsection L of this section, the effective date of the rule shall
40 be no sooner than 30 days after the Commission issues the notice that it adopted or amended
41 the rule.

42 L. Upon determination that an emergency exists, the Commission may consider and
43 adopt an emergency rule with 24 hours' notice, with opportunity to comment, provided that
44 the usual rulemaking procedures provided in this Compact and in this section shall be
45 retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days

1 after the effective date of the rule. For the purposes of this provision, an emergency rule is
2 one that must be adopted immediately in order to:

- 3 1. Meet an imminent threat to public health, safety or welfare;
- 4 2. Prevent a loss of Commission or participating state funds;
- 5 3. Meet a deadline for the promulgation of a rule that is established by federal law or
6 rule; or
- 7 4. Protect public health and safety.

8 M. The Commission or an authorized committee of the Commission may direct revisions
9 to a previously adopted rule for purposes of correcting typographical errors, errors in for-
10 mat, errors in consistency or grammatical errors. Public notice of any revisions shall be
11 posted on the website of the Commission. The revision shall be subject to challenge by any
12 person for a period of 30 days after posting. The revision may be challenged only on grounds
13 that the revision results in a material change to a rule. A challenge shall be made in writing
14 and delivered to the Commission prior to the end of the notice period. If no challenge is
15 made, the revision will take effect without further action. If the revision is challenged, the
16 revision may not take effect without the approval of the Commission.

17 N. No participating state's rulemaking requirements shall apply under this Compact.

18 SECTION 10. OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

19 A. Oversight

20 1. The executive and judicial branches of state government in each participating state
21 shall enforce this Compact and take all actions necessary and appropriate to implement this
22 Compact.

23 2. Venue is proper and judicial proceedings by or against the Commission shall be brought
24 solely and exclusively in a court of competent jurisdiction where the principal office of the
25 Commission is located. The Commission may waive venue and jurisdictional defenses to the
26 extent it adopts or consents to participate in alternative dispute resolution proceedings.
27 Nothing herein shall affect or limit the selection or propriety of venue in any action against
28 a licensee for professional malpractice, misconduct or any such similar matter.

29 3. The Commission shall be entitled to receive service of process in any proceeding re-
30 garding the enforcement or interpretation of the Compact or Commission rule and shall have
31 standing to intervene in such a proceeding for all purposes. Failure to provide the Com-
32 mission service of process shall render a judgment or order void as to the Commission, this
33 Compact or promulgated rules.

34 B. Default, Technical Assistance and Termination

35 1. If the Commission determines that a participating state has defaulted in the perform-
36 ance of its obligations or responsibilities under this Compact or the promulgated rules, the
37 Commission shall provide written notice to the defaulting state. The notice of default shall
38 describe the default, the proposed means of curing the default and any other action that the
39 Commission may take, and shall offer training and specific technical assistance regarding the
40 default.

41 2. The Commission shall provide a copy of the notice of default to the other participating
42 states.

43 C. If a state in default fails to cure the default, the defaulting state may be terminated
44 from this Compact upon an affirmative vote of a majority of the Commissioners, and all
45 rights, privileges and benefits conferred on that state by this Compact may be terminated

1 on the effective date of termination. A cure of the default does not relieve the offending state
2 of obligations or liabilities incurred during the period of default.

3 D. Termination of participation in this Compact shall be imposed only after all other
4 means of securing compliance have been exhausted. Notice of intent to suspend or terminate
5 shall be given by the Commission to the governor, the majority and minority leaders of the
6 defaulting state's legislature, the defaulting state's state licensing authority or authorities,
7 as applicable, and each of the participating states' state licensing authority or authorities,
8 as applicable.

9 E. A state that has been terminated is responsible for all assessments, obligations and
10 liabilities incurred through the effective date of termination, including obligations that ex-
11 tend beyond the effective date of termination.

12 F. Upon the termination of a state's participation in this Compact, that state shall im-
13 mediately provide notice to all licensees of the state, including licensees of other participat-
14 ing states issued a Compact privilege to practice within that state, of such termination. The
15 terminated state shall continue to recognize all Compact privileges then in effect in that
16 state for a minimum of 180 days after the date of said notice of termination.

17 G. The Commission shall not bear any costs related to a state that is found to be in de-
18 fault or that has been terminated from this Compact, unless agreed upon in writing between
19 the Commission and the defaulting state.

20 H. The defaulting state may appeal the action of the Commission by petitioning the U.S.
21 District Court for the District of Columbia or the federal district where the Commission has
22 its principal offices. The prevailing party shall be awarded all costs of such litigation, in-
23 cluding reasonable attorney's fees.

24 I. Dispute Resolution

25 1. Upon request by a participating state, the Commission shall attempt to resolve dis-
26 putes related to this Compact that arise among participating states and between participat-
27 ing states and non-participating states.

28 2. The Commission shall promulgate a rule providing for both mediation and binding
29 dispute resolution for disputes as appropriate.

30 J. Enforcement

31 1. The Commission, in the reasonable exercise of its discretion, shall enforce the pro-
32 visions of this Compact and the Commission's rules.

33 2. By majority vote, the Commission may initiate legal action against a participating
34 state in default in the U.S. District Court for the District of Columbia or the federal district
35 where the Commission has its principal offices to enforce compliance with the provisions of
36 this Compact and its promulgated rules. The relief sought may include both injunctive relief
37 and damages. In the event judicial enforcement is necessary, the prevailing party shall be
38 awarded all costs of such litigation, including reasonable attorney fees. The remedies herein
39 shall not be the exclusive remedies of the Commission. The Commission may pursue any
40 other remedies available under federal or the defaulting participating state's law.

41 3. A participating state may initiate legal action against the Commission in the U.S.
42 District Court for the District of Columbia or the federal district where the Commission has
43 its principal offices to enforce compliance with the provisions of the Compact and its
44 promulgated rules. The relief sought may include both injunctive relief and damages. In the
45 event judicial enforcement is necessary, the prevailing party shall be awarded all costs of

1 such litigation, including reasonable attorney fees.

2 4. No individual or entity other than a participating state may enforce this Compact
3 against the Commission.

4 **SECTION 11. EFFECTIVE DATE, WITHDRAWAL AND AMENDMENT**

5 A. This Compact shall come into effect on the date on which this Compact statute is
6 enacted into law in the seventh participating state.

7 1. On or after the effective date of this Compact, the Commission shall convene and re-
8 view the enactment of each of the states that enacted the Compact prior to the Commission
9 convening ("charter participating states") to determine if the statute enacted by each such
10 charter participating state is materially different than the model compact.

11 a. A charter participating state whose enactment is found to be materially different from
12 the model compact shall be entitled to the default process set forth in section 10 of this
13 Compact.

14 b. If any participating state is later found to be in default, or is terminated or withdraws
15 from this Compact, the Commission shall remain in existence and this Compact shall remain
16 in effect even if the number of participating states should be less than seven.

17 2. Participating states enacting this Compact subsequent to the charter participating
18 states shall be subject to the process set forth in section 7.C.23 of this Compact to determine
19 if their enactments are materially different from the model compact and whether they
20 qualify for participation in this Compact.

21 3. All actions taken for the benefit of the Commission or in furtherance of the purposes
22 of the administration of this Compact prior to the effective date of this Compact or the
23 Commission coming into existence shall be considered to be actions of the Commission unless
24 specifically repudiated by the Commission.

25 4. Any state that joins this Compact subsequent to the Commission's initial adoption of
26 the rules and bylaws shall be subject to the Commission's rules and bylaws as they exist on
27 the date on which this Compact becomes law in that state. Any rule that has been previously
28 adopted by the Commission shall have the full force and effect of law on the day this Com-
29 pact becomes law in that state.

30 B. Any participating state may withdraw from this Compact by enacting a statute re-
31 pealing that state's enactment of this Compact.

32 1. A participating state's withdrawal shall not take effect until 180 days after enactment
33 of the repealing statute.

34 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's li-
35 censing authority or authorities to comply with the investigative and adverse action report-
36 ing requirements of this Compact prior to the effective date of withdrawal.

37 3. Upon the enactment of a statute withdrawing from this Compact, the state shall im-
38 mediately provide notice of such withdrawal to all licensees within that state.
39 Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing
40 state shall continue to recognize all Compact privileges to practice within that state granted
41 pursuant to this Compact for a minimum of 180 days after the date of such notice of with-
42 drawal.

43 C. Nothing contained in this Compact shall be construed to invalidate or prevent any
44 licensure agreement or other cooperative arrangement between a participating state and a
45 nonparticipating state that does not conflict with the provisions of this Compact.

D. This Compact may be amended by the participating states. No amendment to this Compact shall become effective and binding upon any participating state until it is enacted into the laws of all participating states.

SECTION 12. CONSTRUCTION AND SEVERABILITY

A. This Compact and the Commission's rulemaking authority shall be liberally construed so as to effectuate the purposes, and the implementation and administration of this Compact. Provisions of this Compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the Commission's rulemaking authority solely for those purposes.

B. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any participating state, a state seeking participation in this Compact or the United States, or the applicability thereof to any government, agency, person or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby.

C. Notwithstanding subsection B of this section, the Commission may deny a state's participation in this Compact or, in accordance with the requirements of section 10.B of this Compact, terminate a participating state's participation in this Compact, if it determines that a constitutional requirement of a participating state is a material departure from this Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any participating state, this Compact shall remain in full force and effect as to the remaining participating states and in full force and effect as to the participating state affected as to all severable matters.

SECTION 13. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

A. Nothing herein shall prevent or inhibit the enforcement of any other law of a participating state that is not inconsistent with this Compact.

B. Any laws, statutes, regulations or other legal requirements in a participating state in conflict with this Compact are superseded to the extent of the conflict.

C. All permissible agreements between the Commission and the participating states are binding in accordance with their terms.
