

# 2019 OREGON DENTAL HYGIENE CONFERENCE

November 8-9, 2019

Sheraton Portland Airport Hotel, Portland, Oregon

## STUDENT SESSION – SATURDAY, NOVEMBER 9, 2019

### 8:00-9:00 am – Registration & Breakfast

#### 9:00 am-12:15 pm – *From Student to Professional*

*Annette Lincicome, BS, RDH, ADHA District XII Trustee*

**Speaker's Bio:** Annette Lincicome is currently serving her final year of her two terms as the District XII Trustee for the American Dental Hygienists' Association. She is a practicing clinical hygienist and has worked in a variety of practice settings including general practice, periodontics, and her passion, public health.

Annette lives in Las Vegas, Nevada, and attended the College of Southern Nevada there where she received her Associate of Applied Science degree in Dental Hygiene in 1998. She also has a Bachelor of Science degree in Speech Pathology from the University of Texas at Austin, which she received in 1975. Annette has been an enthusiastic member of ADHA her entire dental hygiene career, holding leadership positions on the local, state, and now, the national level as a way of driving the changes she wanted to see.

**Session Description:** "From Student to Professional" will be a three-part presentation. The first section will explore the concept of a profession, specifically the dental hygiene profession, in an interactive format. The second section will inform attendees about their professional association and its opportunities for them as students. The final section will be a less formal question and answer format designed to ease some of the anxiety of making the transition from student to professional dental hygienist. No studying necessary for this session!

### 12:15-2:30 pm – Networking Luncheon & Student Posters/Table Clinics

#### 2:30-3:30 pm – *Individualized Care*

*Heather Kelley, RDH, BS, MS, Educational Consultant, TePe*

**Speaker's Bio:** Heather Kelley graduated from Indiana University in 2010 with a BS in Dental Hygiene and from Idaho State University in 2019 with her MS in Dental Hygiene. She has worked in private practice, holistic care, periodontal practice, as faculty in dental hygiene educational institutions in both California and Oregon, and as a consultant for TePe oral healthcare products. Currently, she is the ODHA Treasurer, serves on the Advocacy Committee, and she served as an alternate delegate at the ADHA national conference.

**Session Description:** Learn about TePe's new and refreshed brushes, as well as the current recommendations for at-home maintenance. She will discuss the many types of interdental tools and specialty brushes and use clinical photos to give you a complete understanding of what type of patient can benefit from each product. Also, learn effective ways to implement oral hygiene instruction during professional visits to increase patient compliance.

### 3:30 pm – Student Session Adjourns
