- PCC Student Leader Award Class of 2023, presented by ADHA & ODHA
- Class Representative of DH cohort, skilled in public speaking, representing others, and mediating conflict
- Compassionate and gentle delivery of care that prioritizes patient empowerment
- Adept at Conversational Spanish; can explain practice concepts thoroughly and effectively treat a broader population of patients
- Diligent and meticulous deposit removal

McMenamins Pubs & Breweries  
Server Trainer  
November 2016 - November 2021 (5 years 1 month)  
Mall 205 (2016-2019) & Greenway (2019-2021)

My 5-year tenure as a McMenamins server created the foundation for my work ethic and helped hone my skills in customer-oriented care. As a dynamic and cross-functional employee with multiple years of experience, I was looked to for leadership, representation, and dependable, exceptional service.

My experience with the McMenamins company is chiefly responsible for the types of skills I am most proud of. As a Lead Line cook, I learned fast-paced multitasking skills while collaborating with others in a stressful environment. As a Server and Bartender, I mastered the "customer service experience" with high levels of organization, accuracy, and customer engagement.

I am most appreciative of my time as a Pub Server Trainer. While in this role I developed lesson plans for new staff members to achieve competency with all company procedures within a 5-day period, applied motivational strategies to improve performance, and delivered critical constructive criticism to bring out the best in each individual. Moreover, working part-time, full-time, as a student, and through the COVID-19 pandemic taught me invaluable life skills such as patience, grace, and balance.

---
